Wind Range	8 ~ 18 mph
Fabric	Ripstop Nylon
Frame	Wrapped Carbon
Packaging	Nylon Case
Line	Recommended 50 lb. Test Line

New from Christophe Goy, this is one impressive bird kite! Goy has come up with an ingenious design that both tensions out to a beautiful bird wing and creates an effective airfoil. With its realistic ram-air body, and bat-ten stiffened winglets, this kite will have birds and small mammals diving for cover!
