

DUAL LINE

DUAL LINE SETS

Dual line flying is more enjoyable when you have the right line for the kite and conditions. Dual-line sets are available in a variety of weights and lengths in either Dacron or sleeved Spectra. Whether you prefer straps or handles, **Premier** has you covered.

EXCEL SPECTRA LINE

Excel Spectra is a finely braided line made of Spectra 1000 fibers for high performance sport kite flying. We use 100% Spectra with no polyester fillers, tracers, or phoney coatings that rub off. Available in bulk on cardboard tubes or on winder handles.

#94980 80 lb. TWO 110 ft. MSRP \$15.95
#94152 150 lb. TWO 90 ft. MSRP \$17.95

MULTI-LINE WINDER & FOAM HANDLES

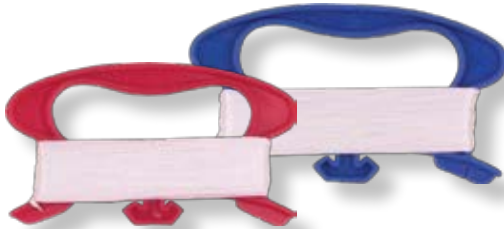

Our Multi-line Winder holds two comfortable foam cushion grips and two sets of lines. Deep "V" notch for heavy gauge line and shallow arch for ultra light line. Made of durable, high-tech plastic in bright orange for easy visibility on the flying field. Foam Handles are lightweight and color-coded.
