

# JOACHIM NELLISSEN

Joachim Nellissen's kites are some of the most spectacular kites we have ever seen. His **Red Dragon** is without a doubt one of the most intricate and complex flying wonders that **Premier** has ever produced. Beautifully sculpted reptilian jaws and hundreds of spikes make this kite the show stopper to end all show stoppers! Just as remarkable, the Rainbow Giant Eel incorporates hundreds of intricate panels. At over 48 feet, it is one of the most spectacular kite flying experiences you have ever imagined.
